# Maple Class

## Term 2 • Home Learning

### Weekly essentials

- Read at least three times each week.

- Practise your times tables on TT Rockstars.

### Choose your challenges!

The activities on this sheet are optional. Choose those that interest you and complete them at your own pace throughout the term.

Share your learning when it is ready. You could bring in your work, a drawing or a photograph.

Earn green points for your efforts, with extra points for outstanding homework!

**Have fun and be creative!**

### Maths • Number detective

Create five addition or subtraction questions and solve them.
**Year 3**: use numbers up to 1,000.
**Year 4**: use numbers up to 10,000.
Show your strategy!

### Maths • Equal groups

Arrange small objects into equal groups.
Draw your groups and write a matching multiplication and division fact.
Can you find another arrangement?

### English • Meet a giant

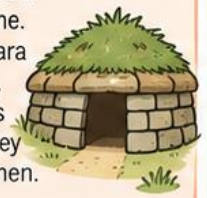
Invent a friendly or fearsome giant!
Draw and label your character, then write a short description using expanded noun phrases.

### English • Santa trap

Design an imaginary Santa trap. Draw a labelled plan and write clear instructions using words such as first, next and finally.
Keep it as a paper design!

### History • Stone Age home

Draw or make a model of a Stone Age home.
Use a picture of Skara Brae for inspiration.
Label three features and explain what they tell us about life then.



### Art • Prehistoric artist

Create cave-style artwork on scrap paper using pencil, charcoal or earthy-coloured paints.
Try animal shapes and a hand outline.
Explain your choices.

### Science • States hunt

Find three solids and three liquids at home.
Draw and label them.
Can you name a gas too?
Describe how one material could change state.

### RE • A special space

Draw a place at home that feels special to you.
Explain how it helps you feel calm, connected or thoughtful.
People may choose different places!

### PSHE • Kind words

Make a kindness jar or box.
Write thoughtful compliments for people you know and share them.
How might your words make someone feel?

### Computing • Fact detective

With an adult, choose an interesting online fact.
Check it using another trusted source.
Do the sources agree?
Explain why checking matters.

### Spanish • Instruments

Draw four musical instruments and label them in Spanish using words learnt in class.
Practise saying which instrument you play.

### Music & PE • Move to the beat

Make a short fitness routine with four movements, such as marching, stretching and star jumps.
Try it to a steady beat, leaving plenty of space.
